

FROM GARDEN TO GLASS

For centuries, the walled gardens of stately homes have produced fresh delights for the privileged few.

Their very presence was seen as a statement of status and wealth.

The Grove's Walled Garden dates back to 1878 when the Earls of Clarendon were in residence. Since then, classic and exotic ingredients have flourished under the watchful eyes of successive head gardeners.

Our cocktails use sustainable home-grown leaves, berries and fruits - many of which were hand-picked just hours ago in our Walled Garden.

Which garden-grown botanicals will you enjoy in your glass today?
