This luxurious treatment combines collagen-based products with a personalised deep tissue massage for the face and neck, promoting relaxation and muscle tone. THE COLLAGEN RECHARGE FACIAL

£225

This rejuvenating facial from QMS uses collagen-based products and a stem cell mask for deep hydration. Enjoy a personalised deep tissue massage for the face and upper body, enhancing facial symmetry and relaxation. This holistic treatment ensures a renewed luminosity and revitalised appearance.

DIAMOND EXPERIENCE INFUSION OF LIFE

£215

This innovative treatment dramatically reverses premature ageing leaving the skin feeling luminous, revitalised and rejuvenated. A combination of new LED technology induces a fast and deep penetration of the active ingredients, stimulating the synthesis of collagen, visibly diminishing fine lines and wrinkles by increasing firmness and elasticity, whilst restoring youthful glow on every level of the skin.

COMPLETE FOUNTAIN OF YOUTH

£210

Thanks to the impressive plumping action of the active ingredients within this range, which inhibits the movement of muscle, enhancing and prolonging the effects of micro injections, this professional lifting facial not only reduces expression lines but it also completely rejuvenates the complexion, producing extraordinarily hydrated skin. The ultimate combination to lift the face, neck and décolletage.

THE WELLNESS FACIAL

£205

Targeting skin health from the outside in, the Bamford Wellness facial combines two massage techniques including Gua Sha to ease muscle tension, support lymphatic flow and reduce puffiness in the face, neck and décolletage. Throughout the treatment your therapist will respond to your personal needs and concerns using a tailored selection of Bamford skincare products following the holistic 'Cleanse, Refine, Treat, Nourish' framework. Suitable for all skin types.

THE COUTURE FACIAL £205

After a personalised consultation with your therapist, enjoy this bespoke facial with Natura Bissé offering a variety of benefits to suit all skin types. Whatever your concern is, your therapist has the knowledge and expertise to create a unique experience tailored to meet your needs, ensuring your skin receives the most benefit, whether that is firming and brightening, hydrating and soothing, or skin purification.

THE ORGANIC FACIAL £200

The Bamford Signature facial is designed to brighten and balance the skin, including deep facial massage techniques and a hot and cold stone massage to stimulate cell regeneration and to release any tension. Your therapist will create a facial tailored to your skin's needs using a personalised selection of Bamford skincare products. Suitable for all skin types.

THE CLEANSE & GLOW FACIAL £200

Crafted for younger skin, the Cleanse & Glow Facial focuses on treating and balancing the epidermis. Experience a gentle double cleanse to prepare the skin, followed by exfoliation to refine the complexion. The treatment continues with a purifying clay mask targeting sebum control, while a warm, jade stone facial massage enhances circulation and promotes relaxation. Bamford Stem Cell Serum rounds off the ritual to support and protect the skin barrier, leaving the skin looking and feeling refreshed.
